

Please read when requesting an appointment(s)

If you would like to book an appointment, we will need the following information:

- Name(s)
- Zip code
- Contact phone number
- First and second choice for the date and time you'd like to book
- Type of massage you would like to book, for example: Relaxation, Therapeutic, Hot Stone or Couples Massage.
- The length of the treatment you would like, for example: 60, 75 90 or 120 min. We might not always be able to accommodate a longer treatment due to time constraints but we will let you know that before we book.

We have a 24 hour cancellation policy, so please do give us 24 hours notice if you need to cancel. We will do our best to help you move your appointment to a different date or time, based on our availability. Of course we take into account emergencies that are unavoidable. A late ferry doesn't count so make sure you allow lots of time around ferry arrivals.

We are located on the left side of Spring Street (the main street) as you head up from the water. We are just past the movie theater and across the street from a building called Island Studios.
